

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS RSIL HOLDINGS PRIVATE LIMITED
Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of **RSIL HOLDINGS PRIVATE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement for the year then ended, Statement of changes in Equity and a summary of the significant accounting policies and other explanatory information, (hereinafter referred to as "Standalone Ind AS financial statements").

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including Other Comprehensive Income, cash flows and Statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India , including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its loss, total Comprehensive Income, its cash flows and changes in Equity for the year ended on that date.

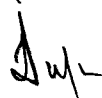

Report on Other Legal and Regulatory Requirements

"Annexure B" to the Independent Auditors' Report of even date on the Standalone

(Referred to in paragraph 2 (f) under 'Report on other Legal and Regulatory Requirements' Section of our Report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of RSIL Holdings Private Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended March 31, 2017.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future years are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

Considering the nature of activities undertaken by the Company during the year, in our opinion, the Company has an adequate internal financial controls system over financial is operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

RSIL HOLDINGS PRIVATE LIMITED
Note 1-2

BACKGROUND

RSIL Holdings Private Limited ('the Company') is a Private Limited Company domiciled in India and is a 100 % Subsidiary of Ruchi Soya Industries Limited. The Company is a Core Investment Company as defined in the Core Investment Companies (Reserve Bank) Direction, 2011 formed with the purpose of investing in Group Companies. The CIN Number of Company is U67190MH2014PTC254659. The Company's registered office is at 616, Tulsiani Chambers, Nariman Point, Mumbai- 400021, Maharashtra, India.

1 BASIS OF PREPARATION

a Statement of Compliance

Separate financial statements have been prepared in accordance with and comply in all material aspects with Indian Accounting Standards ("Ind AS"), including the rules notified under the relevant provisions of the Companies Act, 2013 ('Act').

These are the Company's first separate financial statements (hereinafter 'financial statements') prepared in accordance with Indian Accounting Standards (Ind AS) by applying Ind AS 101 – First-time Adoption of Indian Accounting Standards. Refer Note 15 for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position and performance.

These financial statements are the company's first Ind AS standalone financial statements. The significant accounting policies set out in Note 2 have been applied in preparing the financial statements of the Company. The Board of Directors have approved the issuance of these financial statements on May 20, 2017.

b Functional and presentation currency

These financial statements are presented in Indian rupees (INR), which is the Company's functional currency. All amounts have been rounded off to the nearest rupee, unless otherwise indicated.

c Basis of Measurement

These separate financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities which are measured at fair value.

d Use of Estimates and Judgement

The preparation of financial statements in accordance with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods, if affected. The most significant estimates and assumptions are described below:

Assumptions and Estimations

Information about assumption and estimation uncertainties that have significant risk of resulting in a material adjustment in the year ended March 31, 2017 are as below:

(i) Recognition and measurement of Provisions and Contingencies

The Company's Management estimates Key assumptions about the likelihood and magnitude of an outflow of resources based on available information and the assumptions and methods deemed appropriate. Wherever required, these estimates are prepared with the assistance of legal counsel. As and when additional information becomes available to the Company, estimates are revised and adjusted periodically.

(ii) Impairment test of non financial assets

For the purpose of assessing recoverability of non-financial assets, assets are grouped at the lower levels for which there are individually identifiable cash flows (Cash Generating Units).

(iii) Recognition of Deferred Tax Assets

The Management makes estimates as regards to availability of future taxable profits against which unabsorbed depreciation/ tax losses carried forward can be used for set off.

2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options; and embedded derivatives in the host contract.

**(i) Financial assets
Classification**

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through Other Comprehensive Income-[FVTOCI], or through profit and loss-[FVTPL]); and
 - those measured at amortised cost.[AC]
- The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

In case of investments

In Equity instruments

- For subsidiaries , associates and Joint ventures - The same are measured at cost in separate financial statements, and are tested for Impairment periodically.
- For Other than subsidiaries , associates and Joint venture - The same are measured at Fair value through Other Comprehensive Income (FVTOCI).

Initial recognition and measurement

At initial recognition, the Company measures a financial asset at its fair value and in the case of financial assets not recorded at fair value through profit or loss by adding transaction costs that are directly attributable to the acquisition of the financial asset.

Derecognition of financial assets

A financial asset is derecognised only when:

- The Company has transferred the rights to receive cash flows from financial asset , or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset and has transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred an financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained the control of the financial asset. Where the Company retains the control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(ii) **Financial Liabilities**

Classification

The Company classifies its financial liabilities in the following measurement categories:

- those to be measured subsequently at fair value through profit and loss-[FVTPL]; and
- those measured at amortised cost[AC].

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Initial recognition and measurement

Financial liability are recognised, at initial recognition, as financial liabilities at fair value, through profit and loss or at amortised cost.

b CASH AND CASH EQUIVALENT

For the purpose of presentation in the statement of the cash flows, cash and cash equivalent includes the cash on hand, deposits held at call with financial institutions other short term, highly liquid investments with original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

c CONTRIBUTED EQUITY

Equity shares are classified as equity. Incidental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

d EARNINGS PER SHARE

(i) Basic earnings per share

Basic earnings per shares is calculated by dividing Profit/(Loss) attributable to equity holders (adjusted for amount directly charged to Reserves) before/after Exceptional Items by weighted average number of shares.

(ii) Diluted earnings per share

Diluted earnings per shares is calculated by dividing Profit/(Loss) attributable to equity holders (adjusted for amount directly charged to Reserves) before/after Exceptional Items divided by weighted average number of shares considered for basic earning per shares including dilutive potential equity shares.

e ROUNDING OF AMOUNTS

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupees as per the requirement of Schedule III of Companies Act, 2013 , unless otherwise stated.

f TAXATION

Income tax expense comprises current and deferred tax. Tax is recognised in statement of profit and loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in the other comprehensive income or in equity.

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or subsequently enacted at the Balance sheet date.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

(ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period. Deferred tax are recognised only to the extent that it is probable that future taxable profits will be available against which they can be used.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) the entity has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable entity.

Financial instruments – Fair values and risk management
Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- (i) Market risk
 - (a) Currency risk;
 - (b) Interest rate risk;
- (ii) Credit risk and
- (iii) Liquidity risk ;
- (iv) Equity Price risk;

Risk management framework

The Company's activities expose it to a variety of financial risks including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. These Policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors are responsible for overseeing these Policies and processes.

(i) Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments, all foreign currency receivables and payables and all short term and long-term debt. The Company is exposed to market risk primarily related to the market value of its investments.

i(a) Currency risk

Company primarily deals in Indian Currency (INR). Hence there is no currency risk.

i(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company does not have risk bearing deposits and borrowings, the Company's exposure to market risk for changes in interest rates relates to fixed deposits and borrowings from financial institutions is nil.

(ii) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. Since the Company does not have any trade receivables, hence there is no credit risk arises.

Trade and other receivables

The Company does not have any trade receivables.

Cash and cash equivalents

The Company held cash and cash equivalents amounts to INR 8.46 lakhs as at March 31, 2017 with credit worthy banks. The credit worthiness of such banks and financial institutions is evaluated by the management on an ongoing basis and is considered to be good.

Investments

The Company limits its exposure to credit risk by generally investing with counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties and does not have any significant concentration of exposures to specific industry sectors or specific country risks.
